

UEMS Hackathon – Innovation Challenge 2021 v1.1

Frequently Ask Questions

1. Who can participate?

All UEMS (UEM Sunrise) employee are eligible to participate and create a team. However, each team must have a minimum of 3 or maximum of 6 members in the team. The Team must consist of at least one (1) member from other divisions or department within UEM Sunrise Berhad

2. How to participate?

Please submit your team registrations by ~~11th August 2021~~ (extended to 23rd August 2021). You are required to register via the form provided in <https://hackathon.uemsunrise.com/registration>

3. Can I join more than 1 team?

No. You are only allowed to join 1 (ONE) team.

4. My team pulled out from this competition. Can I join another team?

Yes, but subject to approval from the organizing committee. Please email us at hackathon@uemsunrise.com.

5. We need some clarifications regarding the Problem Statement, how do we go about?

Please submit your inquiries and suggestions via email to hackathon@uemsunrise.com

6. How do we submit an abstract or a solution proposal?

Please submit your abstract/solution proposals via the “[Idea Submission Form](#)” provided in <https://hackathon.uemsunrise.com/ideas-submission>

7. Can I submit more than one (1) proposal?

No. Only one (1) submission per team is allowed.

8. After submitting an abstract or a solution proposal can my team still edit it?

The team is allowed to edit the submitted abstract/solution proposal until the final closing date/time on the [Ideas Submission Day](#). The latest version will be considered the final version. Any submissions after the specified date/time will not be processed or accepted.

9. How can I check the status of my submission?

You will receive an email acknowledging the submission from hackathon@uemsunrise.com. Please remember the registration code for reference.

10. How do I pitch my ideas/solution proposals?

- The shortlisted team will be given a link to join the “Microsoft Teams” Meeting.
- Each team will be given 30 minutes to pitch their solution to the juries.
- The organizer will coordinate the details with the team’s representative (Team Leader).

11. What about the Intellectual Property developed from the abstract/solution proposal?

Please refer to the T&C (Terms & Conditions).

12. What are the judging criteria considered for any abstracts/solution proposals?

Abstracts/Solution Proposals will be evaluated based on the following criteria:

- Usefulness: potential impact of proposed solution on the selected topic/theme
- Innovation: level of genuine/uniqueness of the abstract/solution proposal adapted for the selected topic/theme.
- Feasibility: how expensive and difficult it is to develop and implement the solution for the selected topic/theme.
